Annual Kickoff Party!

IMCO Marine

March 20th, 2010

Once again, it is time for the annual SCOPE Kickoff Party! This year's kickoff is being sponsored and held at IMCO Marine! We're happy that Fred Inman continues to step up and support the club and glad he can host the annual SCOPE Kick-Off this year. It's always a great event to start your year, and it's FREE!

Come start the 2010 boating season by meeting new people, catching up with old friends, or bring a new boating friend to the party and introduce them to the fun-loving performance boating club called SCOPE. There is a great lunch with soft drinks, and a no-host bar too! **Make sure to bring your cool ride, hot-rod, motorcycle or hauler to showoff! It starts at 11am with lunch at noon!**

Remember, you can join and pay your membership on the spot, grab your bag of membership goodies, grab a drink, hang out and TALK BOATING! There's something fun for the whole family.

Who is SCOPE? The Southern California Offshore Powerboat Elite (S.C.O.P.E.) club is the premier offshore performance boating club in the Southern California area.

2010

Welcome to SCOPE 2010

Fellow Performance Boater-

First off, I would like to thank Tom Whitham for heading up SCOPE in what was a difficult year. The Poker Run was put on hold and attendance was down at several SCOPE events, but hey, that was last year!

So I say, lets forget 2009 and look forward to a new decade and 2010!

I am privileged to return as the SCOPE President. The Board of Directors and I have are working very hard to put on several new events, road trips and in general, lets get back to boating and friendships. I've even got Captain Ron excited.

Back in the day we had a "Rock the Dock" party and it's on the calendar for this year in Los Alamitos. We are planning road trips to Lake Mead and the Big Cat Poker Run on the Delta. The Spring Fling in April on Catalina Island will be our first boating trip. This is a well attended and fun event!

We also have discussed a run around the Island. Of all our boating years, I'm sure very few have made a trip all the way around the Island. I think we need to take this off my "Bucket List".

Most importantly, the Poker Run returns with Fred Inman and Imco Marine as our title sponsor on September 18th. A great time is in store with lunch by In-N-Out burgers, party, awards, bench racing and hanging with friends.

When Karen and I joined SCOPE in 1993 we always looked forward to the events and spending fun times with everyone. We established quite a few friendships that we still enjoy today.

Please join us for fun on the water and Let's Go Boating!

Wayne Lee

2010 SCOPE President
