For and in consideration of permitting the undersigned to participate in any activities organized and offered by the Southern California Offshore Powerboat Elite (S.C.O.P.E.), the Undersigned, by this instrument, hereby voluntarily exempts, releases, discharges, waives, and relinquishes S.C.O.P.E. or any of its officers, agents, sponsors, or members from liability for personal injury, property damage, or wrongful death caused by negligence as a direct or indirect result of engaging in any activities or events organized by S.C.O.P.E. The Undersigned does for him/herself and for his/her heirs, executors, administrators, and assigns hereby release, waive, discharge, and relinquish any aforementioned action or cause of action, which may hereafter arise for him/herself and for his/her estate. The Undersigned further agrees that under no circumstances shall any heirs, executors, administrators, or assigns prosecute or present a claim for personal injury, property damage or wrongful death against S.C.O.P.E. or any of its officers, agents, sponsors, or members for any causes of action, whether the same shall arise by the negligence of any said persons, or otherwise. The Undersigned acknowledges that he/she has read the foregoing paragraph in full and agrees and acknowledges all the stipulations, risks, and potential dangers incidental to engaging in the activity of boating and/or offshore powerboating and is fully aware of the legal consequences of signing this instrument.

Acceptance and clearance of your membership payment unconditionally binds you to our terms and conditions.

Welcome to SCOPE 2012

Performance Boaters!

My name is Norton Alderson. I'm not really sure what I did to deserve this "honor", but I've been elected to be the SCOPE 2012 President. I've been a member of SCOPE for over 13+ years and during that time, a few things have changed personally! I've loved boating ever since I was a kid. When I was six years old, I made a boat to use in my bath tub using Legos and scotch tape (to make it water tight). If you haven't tried it, that didn't work out so well. I bought a HobieCat-16 when I was twenty and had a blast for years. I then got my first powerboat in 1998, then got one a little bigger, then later another boat a little bigger, and then we've had to fix both! Does this sound anything like you!? Folks may have made a joke about my boating situation of late, but I'm here to say that for 2012, **BOATING IS ON!!!**

I hope you're not too busy yet or have totally planned your 2012 boating year because the SCOPE Board of Directors have put together a great event calendar for this year. There are a few NEW events plus some events we've done before and have brought back by demand! For those that were able to come to this year's SCOPE Holiday Party, it was quite the event. During this party we gave out a list of SCOPE events that we've done, plus some new ones too. We took a poll of what people wanted for 2012, and what they liked. Well guess what.....we've got most of it and then some. The only thing that would be missing is your participation.

I want to give a very HUGE thanks to all of the 2011 SCOPE members and sponsors for all their support last year. The poker run was a great success, super safe and tons of fun for everyone. Due to some simple logistical reasons (LOL....like no docks available), there won't be a poker run in 2012. What we have planned in its place is a new day event we're calling the SCOPE Blackjack Video and Photo Rally. It will be a blast.

Please take a look at our SCOPE 2012 Event Calendar and read the important booking information. There is a lot going on but we've been pretty careful to avoid other non-SCOPE boating events. The first boating event of the year is the very popular Catalina Spring Fling shortly after our STRUT MARINE kickoff party, both are in March! Make your reservations NOW and get your boating year figured out.

My wife Colette and I are looking forward to boating this year with SCOPE along with our boy Jake who is just turning five. It will be an epic year. Lake Mead, San Diego, Big Cat Delta, Catalina! These are just a few highlights so please check the schedule for all the other great events that SCOPE has planned. You can plan on seeing us at most every SCOPE event and we hope you'll join us. We have been very fortunate to be able to enrich our lives with the people and friendships we've met through SCOPE and we hope you can do the same.

What . . .

is S.C.O.P.E. all about?

Check out the club's website for more: SCOPEinfo.com !!!!!

Being a S.C.O.P.E. member isn't like being a member of the Vessel Assist or the AutoClub, we're not going to run out in the middle of the night and jump start your boat for you. No discount movie tickets nor even free passes to the boat shows. This is an ENTHUSIASTS club - we want you to be a participant! We want to see you at our informal lunches, our trips to Catalina, the POKER RUN and most of all - our road trips.

Each year S.C.O.P.E. members participate in a number of fun and interesting road trips to such places as Lake Havasu and Lake Mead. They're always a lot of fun for everyone. A great way to relax and enjoy your boat with others who want to do the same.

S.C.O.P.E. is made up of members from all walks of life - iron workers to corporate officers. There are well known racers and others new to boating. Performance boating has brought us all together in what we feel is the best power boating participants club on the west coast.

Whether on the ocean or during a road trip, S.C.O.P.E. members are a fun loving group who take their boating seriously and responsibly. S.C.O.P.E. is very family friendly, and safety is always important to our members.

Do you enjoy high performance boating - done responsibly? Do you enjoy being around other enthusiasts who enjoy their boating time as much as you? If you would enjoy being a part of a light hearted group of down to earth powerboaters - then the SOUTHERN CALIFORNIA OFFSHORE POWERBOAT ELITE is looking forward to meeting you!
